Office of Councilmember Kansen Chu

A MESSAGE FROM COUNCILMEMBER CHU

Dear District 4 Neighbors,

Happy Spring! The arrival of spring brings a sense of new beginnings as plants return to life and beautiful flowers bloom in full glory. In order for us to continue enjoying the natural beauty of our environment, we each need to do our part in cleaning and maintaining our earth, our air, and our water. District 4 residents can do their part in helping to keep San José clean by volunteering with other concerned citizens in the Great American Litter Pick-Up on Saturday, April 25, 2009.

Volunteers are needed year round in order to keep your city clean. Please call the Anti-Litter and Anti-Graffiti Program at (408) 277-3208 and the Adopt-A-Street Program at (408) 975-3728 to see how you can help. In addition, Adopt-A-Park and Adopt-A-Trail are citywide volunteer programs that recruit and train residents to assist in the general care and maintenance of neighborhood parks and trails. I hope that we all continue to take pride in our City and do what we can to keep it clean and beautiful.

Best Regards,

COMMUNITY OFFICE HOURS

Councilmember Kansen Chu invites you to attend Community Office Hours in order to get feedback and provide assistance to residents. Staff will also be on hand to assist in handling questions and concerns from residents. If you wish to make an appointment to meet with Councilmember Chu on any of the listed dates, please call the office at (408) 535-4904.

The Great American Litter Pick-Up

Help keep San José clean, improve the environment and contribute to a better quality of life by volunteering with other concerned citizens in the Great American Litter Pick-Up to help clean up litter and debris on **Saturday, April 25, 2009 from 8:00AM-12:30PM.**

This is an annual event where hundreds of volunteers come out to help pick up litter in their neighborhoods. At the Great American Litter Pick-Up, the City of San José will provide the litter clean up supplies: gloves, pick-up sticks, safety vest, and trash & recycling bags. A lunch celebration at the Berryessa Community Center and the Alviso Youth Center will be organized for volunteers on that day too.

The Great American Litter Pick-Up event in 2008 was a success! **Out of nearly 1,000 total volunteers in the City of San José, District 4 had the largest turn out of almost 400 volunteers and a total of 107 bags of litter picked up!** Let's continue the success and show the City how dedicated District 4 is to keeping our neighborhoods clean! Sign up by emailing me at district4@sanjoseca.gov.

Silicon Valley Rapid Transit Corridor

RAPID TRANSIT CORRIDOR PUBLIC HEARING

The Federal Transit Administration (FTA), in coordination with the Santa Clara Valley Transportation Authority (VTA) proposes to construct a BART extension from the future Warm Springs Station in Fremont to Santa Clara County. FTA and VTA have prepared a Draft Environmental Impact Statement to address impacts and possible alternatives. The statement can be accessed online at www.vta.org/bart. You are invited to attend a **public hearing on Monday, April 6, 2009** at San José City Hall to learn more about the project and to provide comments.

NEIGHBORHOOD SPOTLIGHT

Friends of Berryessa Library

Friends of the Berryessa Library is comprised of community members who strive to preserve and strengthen the Berryessa Branch Library and to create awareness and appreciation of library services.

As Friends of the Berryessa Library, their mission is to promote and support library programs and staff through grants and advocacy. Friends of the Berryessa Library are a not-for-profit group that raise money solely by selling books that are graciously donated by District 4 residents. Book sales throughout the year provides Friends of the Berryessa Library the opportunity to engage in activities that will make the library a stronger presence in the community. The Friends of the Berryessa Library have been an active organization in District 4 since 1968.

Friends of the Berryessa Library are gearing up for their largest book sale at the upcoming Berryessa Art & Wine Festival at Penitencia Creek Park on May 9, 2009 and the Friends need your help! In order for this book sale to become a success, Friends of the Berryessa Library are asking for your help in donating unwanted and gently used books. These books may be donated at the Berryessa Branch Library during operating hours.

For more information, please contact Friends of the Berryessa Library President, Cliff Sciba at csciba123@aol.com.

Members of the Friends of the Berryessa Library

Mayor Chuck Reed, Councilmember Kansen Chu and community members celebrate Gran Paradiso Park's opening with the ribbon cutting ceremony.

Residents listen on as Councilmember Chu speaks at the event.

GRAN PARADISO NEIGHBORHOOD PARK RIBBON CUTTING EVENT

On Saturday, March 21, 2009, I hosted a ribbon cutting ceremony event for San José's newly installed turnkey park at Gran Paradiso Neighborhood Park, located in District 4's newest development, Villas at Lundy by Toll Brothers. Gran Paradiso is a 1.25 acre neighborhood park featuring a children's play area, a shaded picnic structure with picnic tables, a half basketball court, concrete walkways with lighting and benches, and irrigated turf and landscaping.

Gran Paradiso Neighborhood Park was a collaborative effort between the City of San José's Parks and Recreation Department and Public Works. I would like to thank staff for the successful coordination in making this park a reality.

A park is a valuable asset that every community treasures. An active life is a healthy way of life, and having a park in your neighborhood is a great way to support that. With all City parks, I challenge the neighborhoods and homeowner associations to adopt their neighborhood park as their own and maintain them. Parks are designed and built for the community and parks will only thrive with the support of its community.

Children and families in the neighborhood attended this event. I wish to thank staff from the Berryessa Community Center, the San José Fire Department, and the San José Horse Mounted Police Unit for providing activities for the children at the event. I encourage you to take your children to visit the newest addition to District 4.

UPCOMING COMMUNITY BUDGET MEETINGS

Each year, the City of San José must develop a budget plan that addresses and reflects the needs of the City's diverse communities. As we begin the budget planning process for Fiscal Year 2009-2010, It is important to help the City understand your needs and priorities by sharing with us your thoughts on how we should create a balanced budget that addresses the fundamental issues of our City while remaining fiscally responsible.

The City of San José continues to face significant and enduring fiscal challenges and will need to make up a \$65 million shortfall to balance the budget for the fiscal year beginning in July. Unfortunately, after 7 years of budget cuts, the City is now facing employee layoffs and service cuts in order to balance the budget.

I invite you to participate in the upcoming District 4 Community Meetings to learn and personally impact the 2009-2010 Budget. There will also be a series of public meetings in the coming months where the Mayor and City Council will discuss the budget. The schedule for the public

hearings is available on my website at www.sanjoseca.gov/district4/budget.asp I encourage you to visit the my website frequently for the latest news and updates.

DISTRICT 4 COMMUNITY BUDGET MEETING SCHEDULE

THURSDAY, APRIL 30, 2009

WEDNESDAY, MAY 6, 2009
ALVISO BRANCH LIBRARY
Community Room
5050 North First Street
6:00PM-8:00PM

HAPPY EARTH DAY 2009!

This year, Earth Day will be celebrated on April 22, 2009. This is a day to celebrate the achievements that have enabled our community to be environmentally conscious. However, there is still a long road ahead. I am encouraging all of you to find ways for you and your family to do your part in protecting the environment. Earth day is a perfect time to think outside the box. There is more to saving the earth than putting newspapers in a recycling container once a week. Our product and consumption choices, reusing, and recycling are all areas that affect our homes and our world. Some of the things we can do will take very little time. Other choices will require research, persistence, and a conscious effort. You have the power to make a difference. Small changes to your daily routine can add up to big changes in helping to stop global warming and protecting our earth.
